

## OILS' BEAUTY

# BODY CREAM

Ideal for the whole body, the Body Lotion protects and softens the skin, even against redness, keeping it smooth and velvety for long time.

The precious presence of **Extravirgin Olive Oil from secular olive trees** and **Vitamin E** (Wheat germ Oil, Apricot nut Oil, Macadamia Oil), provide the skin with elasticity and smoothness.

Thanks to the extraordinary decongestant and nutritional characteristic of fresh **Aloe Vera** extract, this emulsion is recommended against any skin irritations.

### Indications:

- After bathing or showering (for sensitive skins too)
- For hands defense and moisturizing
- To rivitalize dehidrated and wrinkled skins
- After peeling, for skin protection and to avoid redness
- To eliminate the redness due to irritating agents
- Ideal for baby's skin
