

OILS' BEAUTY

LIP BALM

Conceived for lips defense and beauty it combines **Extravirgin Olive Oil from secular olive trees** and **Aloe Vera** extract.

Thanks to the fundamental action of **Propolis** and to other **natural ingredients** this product is very much appreciated all year long.

Indications:

- For lips defense against cold and wind
- To rivitalize dehidrated and wrinkled lips
- Ideal to protect the lips from harsh weather conditions

USE: Apply carefully the stick on the lips. Repeat whenever you feel a need for extra protection.

Production area: olive trees of Terra d'Otranto

Cultivar: Cellina di Nardò and Ogliarola Salentina

Substances: Extravirgin olive oil from old secular trees, Aloe Vera extract, Propolis

Recommended: daily, in any season of the year

Bio Cultivation
Stick from 5,7 ml
