

OILS' BEAUTY

DREAM CARE

Aromatherapy

It is the final result of a long research made on Aromatherapy and comes to be an important innovation since it reaches aromatherapy's benefits while sleeping!

To breath herbal active principles spread into an ambient helps greatly to fight most common sleep disorders and illnesses like poor breathing, joint pains, rheumatisms, muscle fatigue.

It contains: **Extravirgin Olive Oil** (hydrolized), **Aloe Vera**, **Peppermint**, **Eucaliptus**, **Lavender**, **Rosemary**, **Sweet Orange**, **Bitter Orange**, **Melissa**.

INGREDIENTS PROPERTIES:

- EXTRA VIRGIN OLIVE OIL: Emollient, against free radicals
- ALOE VERA: Emollient, anti-inflammatory
- ORANGE (Sweet, Bitter): Aromatic, Analgesic
- EUCALIPTUS: Stimulant, expectorant, balsamic
- LAVENDER: Disinfectant, expectorant, analgesic
- MELISSA: Analgesic, toning
- MINT (Peppermint, Spearmint): Refreshing, balsamic
- ROSEMARY: Antirheumatic, balsamic

Indications:

- For body and mind wellness
- For fragrance home and car
- For drawers and cupboards

Use: placed inside the pillow and evenly releases its fragrances while sleeping.

To perfume your environments open it and releases its natural active principles in the air, breathing them.
